DATE: 4/21/2015

SUBJECT: Submittal of a resolution authorizing: 1) the surplus and sale of County-owned real property at 790 Cornwall Street in Cambria by public auction; and 2) a budget adjustment to repay the Cambria Friends of the Library and reduce an outstanding loan to the County's Building Replacement Fund, by the amount of the net proceeds of sale less costs of sale. District 2.

RECOMMENDATION

It is recommended that the Board:

1. Hold a public auction for the County's vacant real property on Cornwall Street.
2. Adopt the Resolution to Surplus and Sell County-Owned Real Property located at 790 Cornwall Street in the Unincorporated Area of Cambria.
3. Approve a deed transferring title of the property to the highest qualified bidder.
4. Authorize the County Real Property Manager to sign all other related documents to close the escrow.
5. Authorize a budget adjustment, to be completed by the Auditor's office, after net proceeds of the sale have been determined, to repay the Cambria Friends of the Library and reduce an outstanding loan to the County's Building Replacement Fund, by the amount of the net proceeds of sale less costs of sale, by 4/5 vote.

DISCUSSION

The former Cambria Library located at 900 Main Street had outgrown its space requirements over the past decade, and Library staff worked with the Cambria Friends of the Library ("Cambria FOL") to find a new, larger location. It is a County policy that new library facilities can be considered for purchase when the community contributes half of the funds needed for the project. As agreed with the Cambria FOL, vacant lots at 790 Cornwall Street near the intersection of Hillcrest Drive (APNs 022-123-003 and 022-123-022, "Cornwall Properties") were purchased by the County (with contribution by the Cambria FOL) on February 17, 2005 at a price of \$518,000 with the intention to build a new library on the property. The Cornwall Properties total approximately 17,229 square feet in size and are zoned Commercial Retail. Attachment 1 is a location map and Attachment 2 is an assessor's parcel map.

In 2009, a property with a new building under construction located at 1043 Main Street in Cambria was identified by the Cambria FOL as another option for the new library. It was considered to be a better location for the library and could be completed at a lower cost. The property was purchased by the County at a price of \$2,800,000 on November 3, 2009, and the new library opened at this location on December 26, 2013.

On September 1, 2009, the County signed a Memorandum of Understanding (MOU) with the Cambria FOL that estimated the cost to finish the new Cambria library improvements and determined the amount of funds necessary to be raised by the Cambria FOL. On December 13, 2011, the MOU was replaced with a new MOU which revised, among other things, the timeline for fundraising by the Cambria FOL. The County and the Cambria FOL are each credited 50% of the net proceeds of the sale of the Cornwall Properties less the costs of sale as defined in the MOU toward the fundraising goal for the new library. On November 4, 2014 the County signed a Second MOU with the Cambria FOL to document their

respective final responsibilities. The Second MOU was necessitated by the unknown timing of sale and unknown sales prices of the Cornwall Properties and former library property at 900 Main Street ("Main Street Property"). The terms of the Second MOU acknowledge the receipt of the Cambria Friends' financial contribution, the proposed process for selling the Main Street Property and Cornwall Properties, and the distribution of net proceeds after the sale of the above-mentioned properties.

A General Plan Amendment and rezoning from Public Facilities to Commercial Retail was completed for the Main Street Property, and was approved by the California Coastal Commission on December 11, 2014. The County is proceeding with the auction of the Main Street Property in addition to the Cornwall Properties on April 21, 2015. Both the Main Street Property and the Cornwall Properties were offered to the Cambria Community Services District (CCSD) and to other government agencies as required by California law, but no agencies expressed an interest in purchasing either property.

Included with the sale of the Cornwall Properties is 1.29 commercial equivalent water dwelling units (EDU's) allocated to APN 022-123-003 by the Cambria Community Services District (CCSD) in an Intent to Serve Letter that is valid until June 1, 2017. The purchaser will need to have the Intent to Serve Letter transferred into their name. Water connections are not permitted by the CCSD during a Stage 3 water crisis, as is currently in place in Cambria, which has contributed to a longer marketing period than expected for the Cornwall Properties. One of the two parcels (APN 022-123-003) is also encumbered with an irrevocable license agreement that requires the property owner to provide parking for five cars to serve an off-site development at 734 Main Street in Cambria.

Previous auctions have been held on April 8, 2014, July 8, 2014, October 7, 2014, and January 13, 2015, but no bids were received. The Board lowered the minimum bid price from \$250,000 to \$210,000 on July 8, 2014. On January 13, 2015, the Board approved Resolution #2015-15 (Attachment 3) to reschedule the auction to April 21, 2015, with no other change of terms. Written bids on the County's bid form (Attachment 4) were due by 5:00 PM on April 20, 2015, and the legal notices of the auction have been published. Approval of the Resolution to Surplus and Sell (Attachment 5) will authorize the auction and sale of the Cornwall properties on April 21, 2015 under the following terms and conditions:

- The minimum acceptable bid price will be \$210,000.
- A nonrefundable deposit of \$10,000 payable by cashier's check to the County of San Luis Obispo shall be required with the offer.
- The balance of the purchase price shall be payable in cash through escrow, and escrow shall close within 45 days following approval of the County Board of Supervisors.
- The property will be sold in as-is condition, with no repairs or reports provided by the County except a preliminary title report.
- No conditions of sale will be accepted, including financing conditions, except that the sale will be subject to the approval of the assignment of County's 1.29 water equivalent dwelling units by the Cambria CSD to the purchaser at the purchaser's sole cost.
- Upon successful close of escrow, a real estate sales commission of three percent (3%) of the selling price, or an amount as otherwise determined by California Government Code Section 25531 and 25532, shall be payable from the proceeds of sale to a selling broker who is instrumental in obtaining the offer to purchase, provided that the broker is identified at the time of the bid.
- County and purchaser shall pay their own customary closing costs for San Luis Obispo County.
- Title to the property shall be transferred in the form of a grant deed (Attachment 6).

In order to encourage bidding, the minimum bid was previously reduced to \$210,000 from the original minimum bid of \$250,000. The reduced minimum bid was proposed by staff based upon review of comparable sales data and an appraisal by a member of the Appraisal Institute (MAI) certified appraiser. Sealed, written bids received before the deadline will be opened at the auction by the Chairperson of the County Board of Supervisors, followed by an opportunity for oral bidding. In the event that no sealed, written bids are received, no oral bidding will take place, and the auction will be rescheduled.

The property has been marketed to real estate offices, and a commission will be paid to a qualifying broker as described above. A sign has been placed on the property, and advertisements were placed in the Tribune, on Craigslist, and on the County's media sites. Legal notices have been placed in a local newspaper. Interested parties were also able to obtain a bid form by contacting Linda Van Fleet (lv fleet@co.slo.ca.us) or Shauna Dragomir (sdragomir@co.slo.ca.us) by e-mail or by calling County Real Property Services at 805-781-5206.

OTHER AGENCY INVOLVEMENT/IMPACT

County Library and the Cambria Friends of the Library were financial and supportive partners of the endeavor to bring a new, larger library to the community of Cambria. The Cambria CSD approved the Intent to Serve Letter for water service on APN 022-123-003 and will be processing a transfer to the new owner. The County Environmental Coordinator has issued a Notice of Exemption stating that the sale of the property is categorically exempt from CEQA per Section 15312 (a)(b)(2). On October 24, 2013, the County Planning Commission filed the General Plan Conformity Report, finding that the sale of the property is in conformity with the County General Plan. County Counsel has reviewed and approved the Resolution and bid form for form and legal effect.

FINANCIAL CONSIDERATIONS

The value of the Cornwall Properties has depreciated since they were acquired by the County in 2005. If the sales price of the property does not exceed the minimum bid, the reduction in value plus the costs to sell the property (approximately \$29,000) will result in a loss of approximately \$337,000.

When the eventual sales price of the Cornwall Properties is determined at the auction on April 21, 2015, the amounts due to the new library project, including an outstanding loan to the County's Building Replacement Fund, and amounts refundable to the Cambria Friends, will be paid. The Resolution to Surplus and Sell authorizes the Auditor - Controller - Treasurer - Tax Collector's Office to complete the budget adjustment when the amount of the net proceeds of sale less costs of sale is determined.

RESULTS

Approval of the Resolution to Surplus and Sell will allow the Board to hold a public auction of vacant County-owned properties at 790 Cornwall Street. The sale will allow the net proceeds to be contributed toward the new, larger Cambria Library at 1043 Main Street to better serve the community of Cambria. This action will help the County to achieve a Communitywide Result of a Livable Community by promoting lifelong learning through improvements to our Library locations and programs.
